MA and NH FY2014 Permits and Other - Master 061314.(MT)xlsx.xlsx

Hi Dave,

I've updated the "next milestone" column for Lowell, Nashua, Whitefield and the Cape Cod TMDL Lawsuit. I've also updated the "Who" column for Nashua and Whitefield.

Thanks,

Meri

Water Permits Branch,

In preparation for meeting with MassDEP and conversations with NHDES, please take a look at your assigned permits on the attached chart and, at a minimum, that "who" column. Send me any update/corrections for the "who" column if it is incorrect in indicating that we are waiting for a state review or other next step. This column should represent whose court the next step is in. Other updates are optional and welcome. Please respond by noon, Tuesday 6/17/14. You can do it in an email or make corrections on the table for any of your assigned permits. Thanks.

David
